

# Reliability Centered Solutions

GCI is a leading provider of new, rebuilt, or never used surplus or obsolete pumps and parts.

## Complete Pumps

GCI offers complete pumps in a variety of brands, sizes and materials.

- From bare pumps to complete base-mounted units.
- Goulds, Durco, Sulzer, Worthington, Allis-Chalmers, Ingersoll Rand, and many others.

## Surplus OEM Parts

GCI leverages active spotters/buyers across the US and Canada so we can offer a large supply of surplus OEM pumps and parts.

- All parts are inspected at site of purchase before final purchase is made.
- You can rest assured that all GCI surplus OEM parts meet specifications for form, fit and function.

## Aftermarket Parts

GCI has numerous options for keeping you supplied with low-cost aftermarket parts.

- We can offer the same quality as ANSI B73.1 OEM in a variety of alloys.
- We've reverse engineered shafts and sleeves for most ANSI centrifugal pumps.
- We can supply all of your seals, gaskets, O-rings, bearings, and miscellaneous hardware in multiple materials.
